## WELCOME TO ROTEX

### ABOUT US:

Rotex is an fully make in india company providing the highest quality car care chemicals, car wash consumables and most importantly knowledge. Rotex has established a name in the car care, car detailing, housekeeping & laundry industry. Our teams combined experience has gained us a better understanding of the industries desires and helped us tremendously in gaining a solid insight into our customers' needs.

Rotex was founded with a goal of providing the community, businesses, business professionals, clients, auto enthusiasts and friends with the highest quality car care products at any price. Throughout the years, we have remained dedicated to providing our patrons uniquely efficacious car care products, accessories and knowledge. Each of us at rotex is committed to serving our customers and communities alike through the highest service standards.

Rotex is proud to be the leading choice in india for many oems, dealerships, detailing facilities, body shops and car washes. Our pan india following has spread fast and each day rotex family grows larger in size and greater in knowledge. By combining our ever extensive ability in manufacturing, development and innovation with a passion for knowledge, our educational platform known as smart detailing university helps educate and advances the knowledge of car care enthusiasts, detailers and business owners worldwide.

### Our Mission:

A worthwhile firm must have a purpose and a passion for its existence. Not only the everyday work-a-day purpose to earn a just profit, but beyond that, to improve in some way the quality of the community to which it is committed. Each firm-as should each person-contributes to those around it; and by dint of its day-to-day efforts, the message it thereby imparts is a revelation of the quality standard at which its life's work is conducted.

Rotex is a group of friends with a global scale following. Our family can be found in over 10 states around the india. We are fueled by a passion for quality, innovation and perfection. Driven by adventure a passion for cars and a love for the road ahead. We welcome any and all who share this passion to become part of our family.

### About Rotex:

Rotex offers the largest selection of car care chemicals, body shop detailing supplies, professional accessories, buffing pad systems and machines. Our extensive manufacturing background has enabled us to become one of the leading design, development and manufacturing facilities for many oems and private labelers.

Throughout our extensive experience in the car care industry we have designed and tested many car care detailing products and accessories. We understand that no detailing brush, polishing pad, or wax applicator is the same, we know what works and what does not. You can be confident that when purchasing rotex chemicals and detailing accessories they have been put through the most rigorous tests and have exceeded in both quality and performance.

Rotex takes the car care and auto detailing industry very seriously and we are proud to be the industries leading product supplier. From the everyday car enthusiast that is passionate about his/her auto to the professional detailer, oem user and car-wash owner, Rotex has a full lineup of products for everyone.
